The screenshot shows the "PLEASE LOG IN" page on edX. The header says "PLEASE LOG IN to access your account and courses" with a decorative background of birds and a DNA helix. The main form has three sections, each with a red border: 1. "E-mail \*" with a text input field containing "example: username@domain.com" and a note "This is the e-mail address you used to register with edX". 2. "Password \*" with a password input field and a "Forgot password?" link. 3. A checkbox labeled "Remember me \*". Below these is a large blue button with white text: "Log into My edX Account + Access My Courses". To the right of the form, there are two links: "NOT ENROLLED? Sign up for edX today" and "NEED HELP? Looking for help in logging into your edX account? View our answers to common questions". Red arrows point from the text instructions to the "Sign up" link, the "Forgot password?" link, and the "Log in" button.
